PROFESSIONAL EXPERIENCE

Founder SOLARMENTE

MAY 2019 – PRESENT

- *Bringing Solar Energy to the Spanish people*. Turn the company from 0 to 6k+ revenue in less than 30 days. I also built the [website](#) and designed a smart contract [system](#) to handle the redistribution of the energy surplus between neighbors.

Investment Associate | Front Row Ventures | Montreal, QC

JANUARY 2017-JANUARY 2018

- Led and co-led numerous deals (25k \$ SAFE) covering a wide range of technologies (Rocket Science, Healthtech). I was responsible for the end-to-end deal cycle, including deal sourcing, due diligence and portfolio monitoring.
- Co-wrote their [Blockchain](#), AI and AR/VR deep dives (investment trends / Market breakdown).

Partner Engagement Support | Microsoft UK Headquarters |

JUNE 2015-AUGUST 2015

- Built deeper retail partnerships with Microsoft retail partners by understanding their needs.
- Working closely with sales and customer service teams to analyze price and sales evolutions of existing products including Surface Pro, Xbox one and the Windows 10 launch.

ENTREPRENEURIAL EFFORTS&VOLONTEERING

Co-Founder | Feelter | Stanford startup SVIA program

JUNE 2017-AUGUST 2017

- Won the program- Both Jury and Overall excellence awards.

Co-Founder | YEP | Montreal, QC

AUGUST 2016-AUGUST 2017

(Largest entrepreneurial student club in Montreal)

- Organized weekly pitch sessions, Mentoring sessions, programming and web design workshops with local entrepreneurs, Uni students and mentors gathering 5000+ people.
- Led the organization's vision and roadmap and mentored 50+ startups.

Volunteer / Project Manager CICODI | Buenos Aires

JUNE 2014-AUGUST 2014

- Created and delivered environmental awareness initiatives.
